

In honor of the Diamond Celebration, the Disneyland Resort is proud to launch the Dreamers & Doers program. Deeply rooted in Disney’s commitment to supporting youth and the community, Disneyland Resort Dreamers & Doers celebrates the power of possibility and recognizes the youth who take action to improve their community, home or school.

The Disneyland Resort strives to drive positive change through four focus areas—Live Healthier, Strengthen Community, Conserve Nature and Think Creatively. Orange County high school students are invited to share their stories of how they are taking action to achieve a brighter tomorrow.

Applicant’s First Name:

Applicant’s Last Name:

Name of High School:

Grade Level:

Email Address:

Please read over the instructions carefully and answer the three essay questions below.

Part One:

The greatest stories are yet to be told. Please consider one of the four focus areas and, in the essay question below, tell us how you have made a positive change in your home, school or community. Please indicate which focus area you have selected by making the corresponding check box.

Live Healthier:

Healthy living should be simple and fun. It is something we can do together as a family, school or community.

Strengthening Community:

People make dreams come true. Wishing stars and pixie dust help, but it’s the people that step up and lead who really make the magic happen. Through collaboration and teamwork we can all make our community, home or school a better place.

Conserve Nature:

Taking action to protect the environment through conservation, recycling or protecting wildlife ensures a bright future for generations to come.

Think Creatively:

Walt Disney once said, “It’s kind of fun to do the impossible.” Through creativity and innovation Walt made his dream a reality. Youth have the power to dream big and take action in creating a brighter tomorrow.

Walt Disney noted that

“The greatest moments in life are not concerned with selfish achievements, but rather with the things we do for others.” Describe something you have done, created or innovated to solve a problem in your community, home or school that makes it a better place. Describe how you would like to continue or expand on your efforts in the future. (maximum 500 words)

Part Two:

Please answer the following two essay questions.

If given the opportunity to support a local charitable cause in Orange County that supports children and families, what would it be and why? (maximum 300 words)

Who inspires you and why?
(maximum 300 words)
